Kavalier Single Cask Rum, 14y. old Mostello
pear dessert wine, 10y. old PX-Sherry

*A cocktail made of
the perfect trio.*

Why is this cocktail so unique?
*Kavalier Single Cask Rum is a
testament to the complexity of rum,
and we are honored to offer this
experience straight from the cask. By
blending this rum with other special
ingredients, we create a symphony of
taste that is truly remarkable.*

*These spirits are already wonder-
ful on their own, but by marrying
them together in a single drink,
we create an even better expe-
rience. Come and join us for a
taste of this exceptional beverage,
and discover for yourself the ma-
gic of Kavalier Single Cask Rum.*

THE 3 INGREDIENTS

Kavalier Single Cask Rum
Unique Cask strength Rum from the
Foursquare distillery from Barbados.

Mostello, pear dessert wine
The best regional pears are processed
by Farthofer according to the methods
used in the Douro Valley to make Port.

10y. old PX-Sherry
The sweetest of all Sherries. PX stands
for “Pedro Ximenez”, a white grape
which is first dried in the sun. After-
wards the wine is made from those
raisins, having a very high sugar level.
